

## SCREWDRIVER - PHILLIPS, ON CARD Réf.: 9102521001

### Characteristics

**SAFETY AT WORK:** conformity with the European norm EN60900. Tools for jobs of 1000 V AC, 1500 V DC. Each screwdriver's insulation is tested unitarily at 10 000 V. THE VDE-GS control organisation certifies the products conformity with the norm as well as the manufacturing process. Each lot and sample is tested: voltage test, test of the stability of the insulation material on the tool, fire resistance. This quality is guaranteed by the screwdriver marking: 1000 V AC DVE GS. **PERFORMANCE:** the blade's high insulation is obtained by injection. The blade's steel is alloyed with chrome, vanadium and molybdenum; they are machined and hardened to get the precision and durability of the ends. The bi-material ergonomic handle allows to gain power without getting tired.
