

DUPLI-WORKBENCH VICE WITH TUBE CLAMPS Réf.: 3020000120

Characteristics

With welded, milled, and hardened pipe clamping jaws (52-58 HRC).

Specially designed for pipe work.

Forged base.

Forged, hardened, unbreakable steel, round shape, does not damage workpieces, extra-large opening with adjustable slide, measuring scale, large hardened anvil (50-56 HRC) for straightening and upsetting work.

Jaws with additional swivel jaw attachment device (from 120 mm).

Two clamping systems: the exclusive MDS system, which allows the vise to be clamped with a 1/2" square ratchet. This makes it easy to clamp bulky parts and parts in difficult positions.

Classic clamping with a removable sliding handle.
