

MASON'S POINTED CHISEL Réf.: 7170310201

Characteristics

Pointerolle. Sharpenable steel at the tip. The safety head is patented by Mob. It avoids mushrooming under repeated blows and the risk of splintering. It partially protects the hand. Can be sharpened: C55 high carbon steel for very good longevity. Forging and heat treatment of the cutting edge provide an aggressive and resistant cutting edge. Ergonomic bumper handle adaptable to round, hexagonal, octagonal and flat sections. Curve and Ergonomics designed for a good grip. Special model developed by MOB, octagonal flare: placed the tool does not roll. Anti-vibration: the internal fins allow the tool to vibrate without being too directly in the hand. Exclusive geometry developed by Mob.
