

SCREWDRIVERS FOR PHILLIPS SCREWS - EXTRA SHORT Réf.: 9122010001

Characteristics

ADVANTAGES OF THE PRODUCT

Product highlights :

- The "double comb" effect produced by adding the crumbler to the Biogrif allows very fine soil to be decompacted : 2 x more aerated than with a Biogrif alone ;
- Working width 57 cm : enables you to work over large areas ;
- The crumbler breaks up clods of soil, helping new plants to take root, ensuring good irrigation and preventing the soil from being washed away ;
- Stabilising skids : for effortless work over large areas ;
- The beneficial action of the crumbler combined with that of the Biogrif breaks up and loosens the soil without turning it over. In this way, it preserves the organisation of the micro-organisms living in the soil and helps to transform plant waste into naturally fertilising compost.

ADDITIONAL INFORMATION

- Only compatible with Leborgne NaturOvert 5-tine Biogrifs 320320 / 320300 and 320301 ;
- Sold in cardboard box only.
